## SAPG January 2020 Newsletter

The St Albans and Harpenden Patients' Group (SAPG) Newsletter of January includes the following items:

## Organ donation campaign: The law in England is changing

NHS Blood and Transplant Service have launched a campaign to inform the public that the law around organ donation in England will change in spring 2020.

Please support the campaign by helping to spread the word that the law is changing and making people aware that they need to:

- Make a decision about whether they want to pass on their organs to save and improve lives
- Pass on their organ donation decision to their friends and family

For more information, please see the [NHS Blood and Transplant website](#).
