

Friends of Davenport House - Privacy Notice

What type of personal information do we hold about you?

The Friends of Davenport House (FoDH) holds some, or all, of the following personal information about each of our members:

- Name;
- Physical Address & Telephone Number(s);
- Email Address (if available);
- The date the Standing Order was signed and Payment Record.

The FoDH do NOT retain any information about member's bank account details once a Standing Order has been set up. Your personal information will never be passed to third parties unless we are required to do so by law.

Where did the personal information on our database come from?

The FoDH will hold your personal information if you have applied to join us. Your personal information will have been copied from your application form and inserted into our Membership Database. This is the lawful basis for the FoDH to hold and process your personal data.

How do we use your personal data?

If you are on our database we will send you occasional emails containing the FoDH's newsletter/bulletin and other information about the surgery or the FoDH organisation.

If you would like to stop receiving emails from the FoDH, please contact the Membership Secretary (membership@davenporthouseppg.org.uk). Additionally you can unsubscribe by following the instructions on the FoDH's website or select the "unsubscribe" option when you receive the next email.

When a member resigns from the FoDH his/her personal data will be removed from the organisation's database as soon as possible but within one month at the latest.

Subject Access Requests

If you would like to know what personal data we hold on you please contact the FoDH's Membership Secretary (membership@davenporthouseppg.org.uk) and we will inform you of the personal data that we hold on you as soon as possible, but at the latest within one month. The information will be sent to the email address or physical address that we hold for you on our database.

How do we use keep your personal data secure?

The FoDH's database is kept on a secure server held in the "cloud". If the database is ever downloaded onto a committee member's computer for processing it will be uploaded onto the cloud server immediately after the processing has taken place and no copy will be retained on the committee member's computer. If, in exceptional circumstances, the database, or a copy of the database, needs to be retained on a committee member's computer, it will be kept in an encrypted form.
